

## INVITATION

### Opportunities in East African Health Care Seminar, November 12<sup>th</sup>

The image of Africa is slowly changing and it is now regarded as one of the world's fastest growing investment regions. The East African countries are undergoing important development and growth within the health care sector.

The seminar, organized by Swedfund and Swecare, includes presentations on investment and business prospects as well as practical experience of working with health care in the region. The seminar offers great opportunity to learn more about these exciting areas of investment!

Time: November 12, 11:00-14:00

Venue: Swedfund, Sveavägen 24-26, Stockholm

Register to [caroline.mellstig@swecare.se](mailto:caroline.mellstig@swecare.se), no later than October 12. The seminar is free of charge. Please note that the number of seats are limited, first come first served!

A delicious African lunch buffet will be served.

---
